

THANK YOU  
THANK YOU  
THANK YOU

Thank you for continuing the important work you do!

Thank you for trusting Koremen with your clients' home mods!

Thank you for helping us make it through this past year!

## VENDOR FAIRS

If your agency is having an event for vendors this year, please let us know. We miss attending events, talking with you one-on-one about home modifications, and getting to know all of the other vendors and resources in the area.

## COVID CORNER

Things are really starting to look more normal across the state of Indiana. We can see the light at the end of the tunnel!

Spring 2021

## HELLO ALL!

I wanted to take a moment to introduce myself. My name is **Kim Hummer**, and I am the Home Modification Manager at Koremen. I spent the last 4 years of my career working for a residential construction company, where I acquired my knowledge in home modifications and accessibility.

Those skills helped me secure the position here at Koremen.

I know how important it is for your participants to have a well thought out plan on their home modification. During my time in residential construction, I prepared clients for their upcoming project, managed expectations, and walked them through the construction process. I am grateful for the opportunity to be able to assist clients with their individual needs in order to live more safely within their home.

A bit about me personally. I have a fur baby who is my very best friend! She is a chocolate lab named Zoe. You can find me spending most of my time with her, enjoying the outdoors, staying active, traveling, and doting over my nieces and nephews.

You can email me at: [kim.hummer@koremenllc.com](mailto:kim.hummer@koremenllc.com)

## BILLING UPDATE

We are sad to announce that Rachel McDonald is no longer with us. We know many of you got to know her well over the past few years. If you would like to pass along any well wishes we will make sure she gets them. If you need any assistance with billing, please send those inquiries to: [information@koremenllc.com](mailto:information@koremenllc.com)

## HOME MOD PROCESS

Koremen has created a simple process sheet for Home Modifications. Most of you are already familiar with the Home Modification process, but for those that are not, please print out this handy-dandy sheet for reference.
